

Kilkenny Mart Weekly Sales Report

10th August 2026

820

|                       |                                                                                                                                                           |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Trade Comments</b> | A much bigger sale of sheep on Monday in Kilkenny                                                                                                         |
|                       | Supply and demand always rules the roost and with bigger numbers appearing factories have an opportunity to reduce quotes which happened this week with a |

20 cent per kilo cut resulting in a €5 to €9 per head cut.

|                                        |                                                         |  |                |             |                 |
|----------------------------------------|---------------------------------------------------------|--|----------------|-------------|-----------------|
